### Sleeves

Neogen breeding sleeves are available in a variety of thicknesses and lengths, including sterile or non-sterile. With several sizes and packaging options available, Neogen has a sleeve for every OB need.

### Elastic Adhesive

Stretches easily and conforms to any shape without restriction of movement. Porous and allows skin to breathe.

### Syrflex Wrap

Self-adhesive bandage wrap that provides consistent lightweight compression and does not tighten with wear. Each roll has 8 pound tensile strength and is individually wrapped.

### Syringes HP

Premium (hard packed) disposable syringes with clear polypropylene barrels and large, easy-to-read graduations.

### AluSpray®

Aluminum aerosol bandage for use as a protective barrier against external irritant agents in wounds in horses.

### BotVax® B

Injection for the prevention of equine botulism Type B due to *Clostridium botulinum* in healthy horses.

### Chondroprotect®

A sterile solution containing 1000 mg polysulfated glycosaminoglycan per 10 mL

### HYCOAT® 10 mL

A sterile solution containing 50 mg sodium hyaluronate per 10 mL (5 mg/mL), AVG REL MW > 1.0 MM Daltons

### HYCOAT® 2 mL

A sterile solution containing 20 mg sodium hyaluronate per 2 mL (10 mg/mL), AVG REL MW 1.0 – 1.3 MM Daltons

### EqStim®

USDA-approved immunostimulant for adjunctive treatment of equine respiratory disease complex (ERDC).

### ThyroKare™ Equine Powder

A levothyroxine sodium powder for use in horses to correct conditions associated with low circulating thyroid hormone (hypothyroidism).

### Tri-Hist® Granules

An antihistamine/decongestant powder for use when a histamine antagonizing preparation is required in horses.

### UNIPRIM®

FDA-approved trimethoprim and sulfadiazine oral antibiotic powder for horses.

### COMPANION™ Cleaner-Disinfectant

A unique, dual-active chemistry with a neutral pH that is non-irritating to personnel, non-corrosive to equipment, and will not peel paint or stain floor finishes.

### COMPANION™ Disinfectant Wipes

A convenient ready-to-use wipe that effectively cleans, disinfects and controls odor in one easy step.

### COMPANION™ Hand Sanitizer

An alcohol based foaming hand sanitizer with emollient formulated to provide exceptional protection for veterinary staff.
